

Scope of Instruction – Non-Credit Education Program

A program of non-credit education courses provides educational opportunities for those seeking personal and occupational improvement. Adult non-credit courses are offered in such areas as English as a Second Language, High School Diploma, Special Education, Civic and Public Service, Business Education, Retirement Seminars, Parent Education, Child Observation, Homemaking/Dressmaking, Homemaking/Interior Decorating, and vocational training. Other areas may be developed to meet the special needs of those locations throughout the District.
