

Implementation by Governing Boards

The Glendale Community College District shall adopt all the necessary policies and procedures to implement the transition between degree requirements applicable until July 1, 1983 and requirements applicable on or after July 1, 1983. The Graduation Committee, a joint committee of Academic Affairs and the Academic Senate, will recommend all necessary changes to the requirements to the campus, and approval will be obtained from the Academic Affairs Committee and from the Academic Senate. The changes will be forwarded to the District for final approval.
